## Rock Watch

Diamonds are a girl's best friend and they're making a comeback. Don't limit your precious stones to balls and galas. Diamonds can be fun and casual. Adding some bling to a classic look this spring is just the right touch. We've found some watches that are embellished with diamonds yet casual and comfortable. (Note our honorable mention from Gucci...no diamonds but we just couldn't help ourselves!)

### Bohemian Rhapsody

The runways were filled this season with gypsy-inspired prints, cabaret-like skirts, tunics, gazpachos declaring Bohemian chic as the look for the fall/winter season. ## ARCHOS POCKET VIDEO RECORDER AV480 \$749.95

Keeping the things you love close to you is important to the savvy consumer and the Archos Pocket Video Recorder allows you to do just that. Whether it's the music, pictures, or even the movies and television shows you love; it has never been easier to take these things wherever your travels may take you. With a simple USB connection you can download all of your favorite pictures and music to the AV480. The cradle (an AV480 accessory) makes it a breeze to record movies and programs regardless of the source—TV, VCR, cable, or satellite receiver. The disadvantage—the battery only lasts for 4.5 hours of video playback time thus making a charge necessary sometimes in the middle of Frodo's quest to Mordor during your Lord of the Rings marathon.

## Provence

Nested in Soho (on MacDougal Street) is a restaurant whose name conjures the feelings and charm of Provence in the south of France (sometimes referred to as the California of France - due to the warm weather). The restaurant, appropriately named Provence, is owned by Michel and Patricia Jean and has a wide selection of delicious dishes. The menus are the sophistication of Southern French cuisines, which is influenced by Italian, Spanish, and North African cookery.

This casually elegant French charm with warm décor has a small delightful garden in the back for outdoor eatery. Wide selections of delicious desserts are served, assiette de sorbet, fruits frais (Assorted sorbet, fresh fruits) being the most popular.

The prices range from moderate to expensive.

Cinque Terre, which translate to "Five Lands", sits on the southern Ligurian coast of Italy overlooking the Mediterranean Sea. From north to south, there are five undeniably beautiful ports, each carved out of rock: Monterosso, Vernazza, Corniglia, Manaria, and Riomaggiore.

Each port holds a small, amiable community, and is recognized by its narrow staircases and alleys that
